Nurses Corner

School Based Health Center (SBHC) News!

The great news is the SBHC program in the Burlington School District has expanded. Staffed by doctors and nurse practitioners from University Pediatrics, there are now SBHC clinics in four different schools in our district. The SA, IAA, and BHS already had established clinics and the newest SBHC recently opened at Edmunds Elementary. This is wonderful news for the families and students in our community who now have convenient access to quality medical care, in their school. Due to these changes, we have had a change in schedule for our SBHC at the SA. The SBHC will no longer be open alternating Tuesdays, but we are very pleased to announce that **Elizabeth Robinson, NP** will be joining us and splitting her Fridays between the SA and the IAA.

The SA SBHC schedule is:

Mary Lee Ritter, FNP - Thursdays 7:30 - 10am

Elizabeth Robinson, NP - Select Fridays 1-3pm (2/12,3/4,4/15,5/6,5/20,6/3)

If you would like to sign your child up for the SBHC or have any questions at all - please contact your School Nurses, Justina Starr or Jessica Valin

Monday Morning Move it!

Please join in celebrating the accomplishments of 2 more of our dedicated and persistent students! Srya and Sanish have both completed more than **100 laps** around the back track making each of them new members of the **10 mile** movers club.

Congratulations and keep on moving...a new t-shirt is waiting for those who reach **15 miles!**

Are you ready to join the club, too? Remember that it is open to everyone in our SA community - just meet us at the back track each Tuesday and Thursday morning 7:45-8:10 !
