Summer Vacation Camps at Wingspan Studio—

Here is a link to the offerings: <http://wingspanpaintingstudio.com/>

Wingspan Studio has served over 40 youth from the BSD and are working with COTS this summer to bring some of the youth in their family shelters to fun, creative, nature filled summer camps. They work to provide longitudinal support

throughout the academic year. As we all know, kids never stop learning and hopefully we don't either!! Our program is a unique mix of students from all classes, cultures and abilities, with plenty of room for supported learning as well as open time for a safe space to explore, create, make mistakes and face challenges, thus building resourcefulness and resiliency. They are having their 2nd Annual Paint Party Fun(d)raiser on June 5th to raise scholarship funds.
